STEELWORKER UNION CANDIDATES greet their constituents in Granite City Saturday afternoon. Left to right are Lloyd McBride, District 34 director running for

international president of the United Steelworkers of America, and Buddy Davis, a representative in the Granite City office who is seeking to become the new district director.

## Name 3rd trustee of new board

Joining Democrat Russell Robinson and Republican Leonard A. Hylla of the Quad-Cities on a new sanitary district board effective Dec. 6 may be Republican John T. Erhardt, a retired railroad detective.

Two St. Clair County Democrats also are to be chosen, but the St. Clair County Board on Friday night rejected those proposed by County Board Chairman Victor F. Canty—Roosevelt Malone of East St. Louis losing 9-17 and John Robinson of Centerville losing 9-18.

Centerville area members indicated they favored Mrs. Betty Bishop, while East St. Louisans wanted Richard Jackson.

County Board members lack power to initiate such appointments, but some members made attempts to do the selecting Friday evening.

Erhardt received 13 favorable votes from the 29-member board. Three voted "present" and others remained silent.

President of the Washington Park board of fire and police commissioners, Erhardt is a railroad detective.

The new sanitary district, successor to the East Side Levee and Sanitary District, consists of the Quad-City area in Madison County, and East St. Louis, Centerville, Canteen and Stites Township in St. Clair County.

## Concern on subdivision restrictions

By GARY SCHNEIDER

Press-Record Staff Writer

A list of recommendations for amending a proposed Madison County Subdivision Control Use Ordinance was submitted by developers to the County Board's Land Use Committee during a meeting Thursday and is being considered carefully point by point, according to the committee's chairman, H. Jack Franden.

A letter to the committee from the Madison County Home Builders' Association also was read. It suggested that the ordinance, as proposed, would not be conducive to practical development in unincorporated areas of Madison County and asked that the ordinance draft be referred to the state's attorney's office for review.

The letter contended that much of the language in the proposed ordinance is "ambiguous, not consistent with law and unconstitutional."

While developers from Alton, Alhambra, Edwardsville and other areas have asked for and received permission to present their suggestions to the land use committee, a check by the Press-Record indicated Quad-City area developers so far have made little input by suggesting changes.

Checks with five Quad-

Citizens in the home building and development field showed only one had attended a public hearing on the proposed subdivision control ordinance two months ago and he had not taken any action on the issue since that time.

Franden told the Press-Record, "Our committee is open to suggestions from builders and developers in all areas."

"If they want to meet with us and give us their ideas of what is wrong with the ordinance, all they have to do is call and we will meet with them."

He said written suggestions and telephoned suggestions also will be considered by the committee.

While some local developers, builders and financial officers are members of the Madison County Home Builders' Association, none of those contacted said they have been active in that group recently and none were aware of the association's attempts to have the proposed subdivision ordinance reviewed.

Bob Barton of Bob Barton Realty said he is concerned about the possible effect of the proposed subdivision control ordinance, saying it would drive the price of building out of reach

## Steelworker nominating begins

By WALTER STRANGE

Press-Record Staff Writer

An enthusiastic group of 200 steelworkers attended a rally Saturday at the Granite City Knights of Columbus home in support of Lloyd McBride, candidate for international president of the United

Steelworkers of America (USWA), and Buddy Davis, chairman of McBride's campaign in District 34 and a candidate for district director. The district has 200 locals and 36,000 members in Nebraska, Kansas, Iowa, Missouri and the southern two-thirds of Illinois.

McBride, formerly sub-district director here, is District 34 director of Illinois.

Running with McBride, for international secretary is Lynn Williams, who was also at the local rally. He is from Cananda, Kansas, Iowa, Missouri and the southern two-thirds of Illinois.

With Davis running to replace McBride as District 34 director,

McBride announced his full support of Davis Saturday. Davis has an opponent from southern Missouri.

McBride promised to give "responsible and dedicated leadership" to the USWA, which has a membership of 1,400,000 members in the United States and Canada and is the largest industrial union in North America.

The McBride ticket is being opposed by the Sadlowski (Chicago area) ticket.

Retiring USWA President I. W. Abel is backing McBride. McBride told the steelworkers here that he decided to run when several directors came to him and urged him to seek the office.

The incumbent president is prohibited by the union constitution from seeking reelection due to age. At a meeting in Las Vegas during the last week of August, John Johns, international vice-president, decided to retire and gave his support to McBride.

McBride's long association with steelworkers in this area covers a span of 19 years. He served in Granite City for five years in the sub-district office until he was elected district director in 1965. He has been elected, unopposed, to three four-year terms.

Davis said the local nominating process begins today and runs through Tuesday, Dec. 7, to determine who will appear on the ballot. The election will take place on Feb. 8, 1977.

## Settlement near

Settlement of a strike and lockout between Retail Clerks Local 435 and 15 downtown Granite City merchants appears near today as a result of a meeting between the two groups Friday in which "substantial progress" was noted.

Charles Tosh, president of Local 435, said this morning that Friday's meeting and subsequent telephone conversations with many of the merchants has yielded the "outlines of a proposal."

He plans to meet with the

merchants today, if possible, to finalize a tentative agreement.

He said he may call a ratification meeting of the union membership for tonight or tomorrow night, if a tentative agreement can be put in final form today.

"Both sides are now moving to settle this as quickly as possible," Tosh said today.

### Tavern license revocation by Sasyk upheld

Mayor Mike Sasyk reported today that he will instruct police to pick up the liquor license issued to Norma Bosworth, operator of Norma's Tavern, 1301 Madison Ave.

Mayor Sasyk was notified officially in writing today by Michael Berz, chairman of the Illinois Liquor Control Commission, that the commission has upheld the mayor's order revoking the license.

Sasyk ordered the tavern closed after a fatal cutting near the tavern on May 11 this year. The mayor's revocation order was appealed to the Illinois commission and the tavern has remained open pending the state ruling.

### Van hits parked car, man injured

When turning north onto Warren Avenue from Faith Avenue at 12:55 a.m. Saturday, Frank J. Star Jr., 31, of 2724 Birch Ave., apparently lost control of the van he was driving and struck a parked auto owned by B. W. Wallace, 2801 Warren Ave. He was charged with careless driving.

Star was taken by ambulance to St. Elizabeth Hospital, where he was treated for bruises to the forehead, scratches on the face and right hand and pain in the lower back and head. He had x-rays taken and was admitted.

### Banks, schools among closings on Veterans Day

Veterans Day will be observed in the Quad-Cities and other parts of the state Thursday with the closing of schools, banks, financial institutions and some government offices.

It will be the second holiday marking the end of World War I. Federal offices, including the post offices, closed for Veterans Day on Oct. 25 under a federal law setting the observance for the fourth Monday of October.

All public and parochial schools will close Thursday. Regularly scheduled classes will be resumed Friday. The Granite City government will observe the holiday by closing the city hall, but Venice, Madison and Pontoon Beach will operate as usual.

There will be mail delivery, but banks and savings and loan firms will close in keeping with the Illinois observance of the holiday. The county courthouse at Edwardsville and all state offices, including the Illinois Employment Service and the Drivers' License Examining Bureau, will be closed.

The Press-Record will publish Thursday.

### Slash 20 tires

Twenty tires on nine vehicles were slashed or cut in the 2100 through 2500 blocks of Adams Street, Cleveland Boulevard, Delmar and Edison avenues and State Street, the owners discovered Sunday morning.

Steven Spurling, 2541 Adams St., found two tires on his auto had been cut in front of his home.

In the 2100 block of Cleveland Boulevard, Robert L. Thompson, Edwardsville, found all four tires of his parked car slashed. And in the 2300 block of Cleveland, two tires were cut on the auto of Larry Atkinson, 2316 Cleveland Blvd., and three more were cut on the car of Junior Mathis, 2325 Cleveland, behind his home.

George Barrow, 2154 Delmar Ave., found three tires slashed on his car in his driveway, and Bob Smith, 2130 Delmar Ave.,

noted two tires on his van were slashed.

In the next block, Frank Ingram, 2251a Delmar Ave., found a tire of his truck had been slashed at his home.

One tire on the car of Tom Hildebrand, 2448 Edison Ave., was cut, at his home, and Gregory Becker, 2333a State St., discovered two tires on his car, parked at the rear of his home, had been cut.

## Freedom dear to GC woman from behind the 'Iron Curtain'

Raquel Sarasa of Granite City has found political freedom. But she wasn't born into it like most residents of the United States. She sacrificed a home and a job. She felt the sadness of family separation. And she risked her life in her quest for liberty.

Over 13 years ago, she gathered some clothing in a knapsack and nodded farewell to the rest of her material ties to her homeland of Cuba.

Her husband, Jose, a former basketball coach at Havana University, had done this when

the opportunity arose during the Pan American games in Jamaica. Her two children were already in America.

The government had confiscated her passport and meal tickets, but she felt she had to leave. So, along with 42 others, she boarded a fishing boat and — in the middle of the night — secretly sailed away from her native country.

"My husband and I qualified as technical people who weren't allowed to leave the country. Through a U.S. government program, we were fortunate to

send our children to live in American foster homes. We were separated from them for three years and that was the worst feeling in the world," she recalls.

Like their hopes, they'd been saving gasoline little by little for this trip.

The ocean's foamy crests danced around them. The 43 were frightened. Some of them were sick. None of them knew whether they would make it.

"There were all different people on the boat — medical doctors, a marine commander

and farmers. I only knew two other people," she relates.

At 4 p.m. the next day, the refugees were picked up by an American oil tanker. The weary travelers were given food and clean clothing.

The ship's captain allowed Raquel to send a cable — which the Sarasas still have today — to tell her family she was safe and on her way to Miami.

"My husband was so nervous that he couldn't read the cable. It was in Spanish. The person who gave him the cable couldn't

## Friendship continues 40 years

Mr. and Mrs. Homer (Clara) Huber, 3245 Willow Ave., entertained a special group of friends recently at their home. Continuing a custom started over 40 years ago of getting together socially each month. All of the members look forward to these get-together dinners once a month, the host couple said. The dinners, held at the homes of the individual couples on a rotating basis.

Throughout the years, the group also has gathered for picnics and dining out at various area restaurants. During the four-decade span, several changes have occurred, but all remain fast friends and continue to renew their friendship ties each month.

Mr. and Mrs. Bill (Peggy) Ogden moved to Bowling Green, Mo., from Granite City, but continue to attend the functions regularly.

Mrs. Gladys Price, whose husband Lawrence, is deceased, now resides in South St. Louis. She and her late husband lived in Arnold, Mo., for some time while remaining part of the group.

Other couples beside the Hubers are Mr. and Mrs. Harold (Alta) Stewart, Mr. and Mrs. Charles (Helen) Polley, and Mr. and Mrs. Ted (Alice) Pfroender. All have resided in Granite City almost their entire lives.

## Daughters of Isabella install new officers

There were 230 members of the Daughters of Isabella, which includes seven circles of Illinois, who attended the installation and tea for officers of the organization held last week at St. Elizabeth church hall, Granite City.

The Rt. Rev. Msgr. Lawrence Mattingly, of the host church gave the opening benediction.

Circle Regents introduced were: Pauline Sharkey, Alton 37; Ann Pacevic, Cardinal Gibbons 193; Pauline Lawrence, St. Ann 209; Betty Hentz, O'Reilly 218; Joyce Musenbeck, Sacred Heart 237; Flora Sinclair, Bishop O'Connor Circle; and Irma Manning, Our Lady of Fatima 835.

Installing officer was Lucy Schell, state regent.

All officers of Our Lady of Fatima Circle, as host officers, were dressed in white formal gowns, accented with red carnation corsages. The red and white theme was carried out throughout the table decorations. The centerpiece was the statue of Our Lady of Fatima surrounded by red and white roses highlighted by silver candlesticks holding red tapers. Greenery circled the skirt of the white tablecloth amidst a cluster of roses.

Prizes for the evening were awarded to Betty Krug and Mrs. Yencho.

silver tea service and crystal punchbowl, at each end of the table. Mrs. Ann Pare prepared a buffet lunch assisted by her committee.

Special guests included: Past State Regent Mary Mansfield; Ogdens Chairman Betty Hentz; and Mary Swip, state secretary.

Religious organizations were helping Cuban people find jobs according to their background and education. For Raquel, a pharmaceutical graduate of Havana University, a letter was sent to hospitals all over the United States.

It was Sister Benedict, head of the local hospital pharmacy at that time, who answered the Catholic Welfare System and offered Raquel what was to be her first job in this country: a staff pharmacist at St. Elizabeth Hospital.

Almost immediately after she began working at St. Elizabeth Hospital, people here pooled resources in an effort to help her and her husband piece together a new life. Searching for living quarters and overcoming the language barrier were, in Raquel's estimation, the most difficult.

"When you need people here, they respond. It's fantastic how good people were to us. Pauline found a home for us. All the families at the hospital who gave us so much — some of the people I didn't even know. You wouldn't believe it."

She learned the English language at Granite City High School in an educational program designed especially for foreign citizens.

Before she gained familiarity with the language, she was scared to death of the phone (at work) out of fear that someone would call and ask for something and she would not know what to do.

She notes that the hospital system did not pose much of a problem because of the apparent American influence that had existed in Cuban hospitals.

The thing that impresses her the most about the United States — as evidenced by her repeated suggestion is that "everybody can make it in this country."

If you fight and sacrifice, "I know. We were able to raise our children and give them an education."

Manuel, 27, is a graduate of Wichita State University and is employed by the Monsanto Co. Jose, her husband, trained as an x-ray technician here.

Daughter, Raquel, 24, earned a master's degree in school psychology and works in a Chicago school district.

Mrs. Sara, like others who have experienced governmental oppression, is possibly more tolerant of mistakes made by public officials and is able to keep a cooler head when an unpopular word like "taxes" is brought up in conversation.

"It's true," she said understandingly. "It's not perfect. But we are free and I am very happy and thankful for that."

Some believe that individuals like her have an edge on a lot of U.S. citizens who have never known what it is like to lose their freedom.

An associate comments, "Just speaking with Raquel offers insight not found in any American-authored essay on patriotism."

**Two Granit City men** were arrested at Brunswick Tri-Mor Bowl, 3701 Nameki Road, at 5 p.m. Saturday, following a disturbance at the facility.

A report said that three men came into the bowling center, demanded to bowl on closed lanes and became "hostile and insulting" to the woman in charge when they were asked to use other lanes.

The employee said the three threw bowling balls "recklessly" down the alley, striking the pin rack, and after paying the bill again made insulting remarks to her and also a woman employed in the snack bar.

She said the trio left, but two men returned and one accused the woman of "short changing" him. Police were summoned.

When one man pushed a youth full employee who tried to help the woman.

Timothy A. Sunde, 30, of 1330 Benton St., was asked to go outside by an officer, but continued to yell and curse, police. Sunde broke free of the officer's restraining hold and was halfed again by the patrolman who put him on the floor.

Sunde allegedly scratched the officer, hit him in the throat and tore the nameplate from his uniform.

Sunde was charged with resisting arrest, disorderly conduct and aggravated battery. He appeared before Judge William Beatty at 10:30 p.m. Saturday, who set bond at \$7,500 for aggravated battery, \$2,500 for resisting arrest and \$25 for disorderly conduct.

A companion, Arthur P. Buecker, 30, of 1334 Benton St., was booked on charges of assault and disorderly conduct. He was released on payment of \$50 cash bail at 6:35 p.m. Saturday.

## Indict Venice woman on murder charge

A Madison County grand jury Thursday indicted Lucille Howell Sanders, 26, of 128 Lee Wright Homes, Venice, on a charge of murder.

The indictment alleges she fatally shot her husband, Eugene "Snake" Sanders, 26, in the doorway of their apartment building Sept. 18. He suffered five gunshot wounds and died later at St. Elizabeth Hospital.

Sanders allegedly called police and surrendered the murder weapon to them.

The indictment was referred to Madison County Circuit Court at Edwardsville for a preliminary hearing.

Also in Madison County Circuit Court, Willie Hendricks, 1545 Collinsville Ave., Madison, was sentenced to serve three to five years in prison for a March 10 burglary.

Nora L. Kearns, 1545 Collinsville Ave., Madison, was sentenced to serve one year of probation after pleading guilty to criminal damage to property. She allegedly aided a man in damaging the rear door of

Lynn's Diner, 1018 Broadway, Venice, March 10.

The sentences were pronounced by Circuit Judge Moses Harrison II.

Two Granite City men have been named in informational documents from the Madison County state's attorney's office alleging felonies.

Michael A. Harlan, 17, of 1715 Delmar Ave., was named in an informational document alleging burglary. He allegedly was one of three youths who broke into American Legion Post 115 at 1825 State St., Aug. 17 and took money, some slips often used for gambling and some liquor.

Two co-defendants in that case face juvenile court action. Robert A. Elmore, 17, of 1603 Kirkpatrick Homes, was named in two informational documents alleging burglary of the motor home of Charles Wood, 1525 St. Clair Ave., and the van of Dewayne Dickerson, 2829 Warren Ave., both in September.

## Three plead innocent in burglary case

Henry Pickett, 30, East St. Louis, Anderson Bolden, 37, of Brooklyn and Karen Crisp, 20, of 415 Weaver St., Venice, pleaded innocent Friday afternoon to a charge of burglary and were released on their own recognizance pending a court hearing.

The three were stopped by Venice police at 3:15 a.m. Friday on South 4th Street, Venice. The officers allegedly saw the three in an auto with a stereo console in the trunk. Police reported that they found inside the stereo a letter addressed to a Madison resident, a bottle of prescription pills made out to the resident and a picture of the resident.

Venice police asked Madison police to check the residence in the 800 block of West Madison to determine if it had been burglarized.

When Madison officers notified Venice that the house apparently had been burglarized, the three were arrested and charged.

## Transit seminar Wednesday

A public workshop on ideas to improve mass transit in this area will be conducted at 7:30 p.m. Wednesday at the YMCA, 20th Street and Edison Ave. The East-West Gateway Coordinating Council's Transit Action Committee is hosting 10 workshops this week throughout the St. Louis metropolitan area as part of a \$400,000 federally-funded study designed to give the public an opportunity to express its ideas and needs. During the workshops, results of telephone and personal surveys which have been conducted to determine transit needs in the region will be presented.

Gateway staff members and consultants will explain suggested alternative systems, such as expanded bus services; commuter, light and rapid rail; and other transit possibilities which could be considered for the region.

People attending the workshops will have an opportunity to participate in small-group discussions and to offer their ideas on what they believe are the region's most pressing transit problems and needs, to comment on the suggested alternative transit improvements presented, and to make their own recommendations.

"Since it is the people who will benefit from any changes and improvements in mass transit, and because the end result of this program will be to submit plans that will make services more reliable and convenient, we are looking to the residents of the region to participate in the program," it is being explained.

"These community workshops are an opportunity to make our needs and desires known," a spokesman said. The November workshops will be the first of three "milestone" periods in the mass transit program.

The second milestone will come in late winter, when another series of community workshops will review utilization of the result of the first workshops and the results of a detailed analysis of possible transit improvements.

The third series of workshops will be held in late spring for presentation and discussion of a 1985 mass transit plan for the region.

The final report on the recommended plan, to be completed after the spring workshops, will provide overall guidelines for implementing and financing the recommended system.

## Graduate School applications

Applications are now being accepted for winter quarter admission into the Graduate School at SIUE, according to David G. Brown, assistant dean.

The Graduate School Office of Records and Admissions is open weekdays from 8 a.m. to 5 p.m. for students to pick up application packets. Also, application packets may be obtained by writing to the Graduate School, SIUE Campus Box 46, Edwardsville, Ill. 62026 or by telephoning 692-3160.

Students are being asked to apply early, since the process of admission usually takes four to eight weeks, depending on the requirements of specific graduate degree programs. In order to enroll for graduate courses, a student must have an application for admission along with supporting documents on file and meet the requirements of the Graduate School.

## SIU emblem may change

The official seal of Southern Illinois University may be a nostalgic item before too long. The SIU Board of Trustees says it will look at new design proposals from the two campuses — Carbondale and Edwardsville.

SIUC President Warren W. Brandt has invited all students and faculty-staff members there to send suggestions to him. SIUC currently lacks a president.

Current seal involves a rendering of Old Main. Brandt said in a memo distributed at SIUC last week. Old Main, original building on the Carbondale campus, was destroyed by fire in 1969. A drawing of the building has been the centerpiece-image on the official SIU seal since 1948. James Brown, general secretary of the SIU system, said SIUC officials asked that a new design be considered "because the Old Main symbol doesn't really reflect the entire university."

### SUSPECT ARSON

Arson is suspected in the burning of a station wagon last week belonging to Sam Dymas and parked in front of 800 Greenwood St., Madison. Dymas reported he heard an explosion and went outside to see the wagon in flames. Authorities reported a strong odor of gasoline. The fire was extinguished by Dymas and friends. There was heavy damage to the interior.

will look at proposals.

In addition to the Old Main likeness, the SIU seal also includes a Latin inscription, "Deo Volente" — God Willing.

### Airman Presley honored again

Airman Johnnie Presley, son of Mr. and Mrs. J. E. Presley Sr., 630 Barkley Ave., Mitchell, was selected as the 2066th Communications Squadron's top airman for the third quarter of 1976.

According to an Air Force spokesman, Airman Presley was recognized specifically for his military bearing, self-development efforts, military knowledge and knowledge of current world events. Airman Presley also won this honor last year.

## Labor committee to seek new industry, business

A nine-member committee to coordinate matters involving industry and labor in the Quad-City area was appointed by the Tri-City Trades and Labor Council in a meeting Wednesday night at the Labor Temple.

Edwin F. Reiske, council president, said the committee intends to study and make recommendations to the labor body concerning labor-industry matters such as industry planning to leave the city, new industry moving into the area, major disputes or other factors affecting the community.

Named to the committee were Robert Walkenbach of United Steelworkers Local 4804 at Conalco; Tom Nesbit of Cement Finishers Union Local 90; Marshall Testerman, Laborers

Local 397; James Arnett, Steelworkers Union Local 30 at Granite City Steel; Roy Logan, Patternmakers League of America.

James Kelahan, United Steelworkers Local 67 at Granite City Steel; Helen Peters, Cooks and Waitresses Union Local 42; Gene McGovern, Carpenters Local 633, and Don Shaffner, American Federation of Teachers.

The committee was established following a brief address by Mayor Paul Schuler who said such a labor-industry committee could determine local needs in industry and business and study programs to bring new industry into the area.

NAYIRI DANCE GROUP of New York presents a "dance trip through Armenia" at the Granite City High School South auditorium last week, sponsored by the Granite City Bicentennial Commission and St. Gregory Illuminator Armenian Apostolic Church. Following the performance several hundred persons went to the school cafeteria where

there was a cultural display of art works and artifacts, in addition to authentic Armenian food. In this view Pianjo, a men's dance, is being performed. This is one of a series of various cultural programs under the sponsorship of the Granite City Bicentennial Commission, according to Casper S. Nighoghossian, commission chairman. At this assembly there will be a review of the operations for 1976, election of council officers and executive board members and a presentation of the council, which will take during the coming year.

## Royce Realty joins Century 21

Bernard Royce, president of Royce Realty, 2802 Madison Ave., is now affiliated with Century 21, a national real estate franchising company with nearly 2,000 offices nationwide.

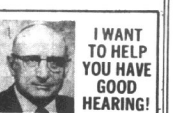

Forty-five independently-owned real estate offices in the metropolitan area are now under the Century 21 banner, with 15 of the offices in Madison and St. Clair Counties. Royce Realty, will be known as Century 21 Royce Realty. The brown and gold Century 21 colors and symbol will be a familiar identification at the firm.

According to Bernard Royce, "our affiliation with Century 21 will mean better service to our present and future clients. The Century 21 action sales warranty is a unique exclusive with Century 21, providing home sellers with a written guarantee of 10 basic services when listing their property with a Century 21 sales agent anywhere in the U. S. and Canada."

"The warranty plan is the most complete guarantee program of service and performance ever offered by a

national real estate organization," Royce said. "It spells out exactly what a seller can expect from his real estate agent in selling his home quickly and to his best advantage."

"Other services offered, include an international referral program through our 2,800 affiliated offices, a multi-million dollar national and local advertising program in all media and expertly trained sales associates who are provided the latest in sales and marketing techniques to serve our clients better," he added.

## Large print books at library

By JEANETTE KAMPEN

Adult Services Librarian  
A varied selection of large print books is available in the collection at the Granite City Public Library. There are

westerns such as "Valley of Wild Horses" by Zane Grey and "The Daybreakers" by Louis L'Amour; romances such as "Home to the Valley" by Arlene Hale and Emilie Loring's "The Shining Years," and mysteries including "Sleeping Beauty" by Rosa Macdonald and Agatha Christie's "Murder on the Orient Express."

Also on the library's shelves are inspirational titles such as "Mr. Jones, Meet the Master: Sermons and Prayers of Peter Marshall," general fiction, and the large print edition of "Reader's Digest."

The type in large print editions is twice the size found in standard print books, yet most of these books remain about the same size and weight as a standard book.

Large print books are intended for patrons with limited vision; however, they have become popular with some normally sighted people who find them easier and faster to read.

With the redecoration of the library now completed, the Gardenaires Garden Club has resumed its Mini-Garden Information Center at GCPL. Each month the club will have a different display on various aspects of gardens and gardening. The current theme is houseplants: how to grow them

and how to take care of them.

Copies of "The New York Times Book Review" can be purchased at GCPL for ten cents.

NEW ITEMS: Terence Conran's "The House Book" is an impressive 448 page illustrated book on all aspects of houses. Conran discusses such basic topics as elevations, lighting, coordination, style, internal layout, and maintenance, as well as treatment of floors, windows, and every kind of room in the house. The book has been called "a volume of unprecedented elegance and sophistication."

Andrew Tobias has written and unauthorized biography of Charles Revson — "Fire and

## Charge damage to property

AT NEW BASE

Marine Lance Corporal James E. Caschetta, 18, son of Mr. and Mrs. Ralph Caschetta, 2224 Edwards St., and whose wife Joy is the daughter of Mr. and Mrs. Robert Pope of Rural Route 2, all of Granite City, has reported for duty at the Marine Corps Air Station, Cherry Point, N.C. A 1975 graduate of Granite High School, he joined the Marine Corps in September 1975.

Thorikid then assembles a crew and sets out to follow the track of the ancient navigators. West narrates the story of their voyage, their discovery, and their struggle for survival as a community — it's a tale of high adventure, ancient mystery, and modern men and women rediscovering love, comradeship, and tribal life, in the face of primal terrors.

## Charge damage to property

Russell James Zulauf, 25, who listed no address, was taken to Madison County jail after bail was set last week by the court at \$11,500 on three charges of criminal damage to property and a charge of theft of a wallet containing \$20 and a tape player valued at \$100.

He was taken to Madison County jail pending posting of bond.

Zulauf allegedly slashed tires of an auto and cut the wires off the spark plugs of another auto. The offenses allegedly occurred at 922 Grand Ave., following an argument.

## Pontoon tables bids on new police car

The Pontoon Beach Village Board voted last week to table two bids for a new village police car until it can be determined if sufficient funds are available in the police department's budget. Village Board President Floyd David Moss said a new police car was not envisioned when this year's budgets were prepared and he did not feel there was enough money available. Trustee Don Res agreed that the board should not approve the purchase until the treasurer's monthly report for November is submitted and studied. A motion to table the bids — from Bo Beckman Ford in Collinsville and B.E. Holt Ford of Granite City — then was approved. The board also received a letter from a village resident who requested a formal notification what action the board intends to take about a depression in the ground at the corner of his garage, which he alleges is damaging the garage. The resident said he feels a broken storm sewer line is causing the depression. Some trustees have studied the site and say they do not believe a sewer line is involved. The board instructed the village clerk to prepare a letter detailing what actions the village intends to take to determine the cause of the resident's problem.

South advances to state soccer tourney by defeating K...

# South advances to state soccer tourney by defeating Kanoks

GCHS South's soccer Warriors gained their 18th straight win Saturday afternoon at Jacksonville, defeating Collinsville 3-1 to capture the fourth Illinois High School Association sectional soccer title in five years.

A final-quarter goal by David Goldschmidt provided the winning margin.

Now with a 23-1 record, South advances to the state

finals at Maine East High School in Parkridge to meet Lake Forest, the Northfield (New After West) sectional winner, at 5:30 p.m. Friday.

The state championship contest is to be played Saturday at 7:30 p.m. Semifinals are to be played Saturday morning.

The Warriors were undefeated through the Jacksonville sectional, defeating Springfield Southeast

1-1, East St. Louis Assumption 2-0 and then Quincy Notre Dame 2-1 to qualify to meet Collinsville.

Collinsville's Kanoks advanced to meet South by winning 4-0 over Quincy High, 2-1 over Alton and 2-1 over GCHS North.

Warrior mentor Gene Baker noted that since he became South's soccer coach in 1973, this year's sectional marked the

first time the state tournament entry was not decided by a contest between the two Granite City schools.

Playing 18-minute quarters, neither side was able to put the ball into the net during the first three periods. Saturday due to what Baker described as "pressure being exerted in every sense of the word."

South Goalkeeper Barry Briggs was voted by his

teammates as most valuable player of the contest, thwarting serious Kanok scoring attempts at least six times during the first half of play with diving stops of hard-hit shots.

"We pressured Collinsville goalie Bill Swipe with scoring attempts on throw-ins from Mike Voegele to Rick Becherer, but he was able to deflect them until the final quarter," said Baker.

With 9:04 left to play, Becherer took a throw-in from out-of-bounds from Voegele, passing off to Freig for a power shot into the goal from eight yards away.

David Goldschmidt collected his 32nd goal of the season with eight minutes showing on the scoreboard, putting South on top 2-0. He was assisted by Ken Prazma.

Kanok Marty Mestemacher

prevented a shutout with a penalty kick with only seconds to play following a Warrior foul at the goal line.

"We were determined to go all the way," Baker commented.

"An indication of that was in the first quarter when Mark Goldschmidt collided with a Collinsville player and left the contest with a cut to his head."

Three minutes later, following treatment, he was back in the game doing his job.

Baker praised the Warriors' defensive players' performances, especially after South's second goal.

"We went into a defensive game plan to preserve our lead, resulting in the players really applying the pressure on Collinsville."

The Warriors dominated by taking 10 shots on goal to

Collinsville's six and executing six cornerkicks at the Kanoks' one.

Goalie saves were even at the goal line. South committed the least fouls, 21-25.

A victory over Lake Forest on Friday at Parkridge would advance the Warriors into a semifinal contest with either the Chicago League representative or Highland Park at 11:30 a.m. Saturday.

Opening-round games of the state tourney (with team record given) include: Wheaton Central (15-8-1) vs. Quigley South (20-7-1), Wheaton North (10-4-1) vs. Oak Park (10-5-3), GCHS South (23-1) vs. Lake Forest (14-5-1), and Highland Park (12-4-0) vs. the winner of today's Chicago area sectional.

Schurz and Kenwood are meeting to decide a state final entry from the Chicago area.

## Clay sparkles, North chaks up 7th victory

Coach Tom Wyrostek's Steeler eleven finished the 1976 grid season with a 7-2 record, defeating the Green Wave, of Mattson 29-8 Friday night in Granite City Stadium.

Steeler Fred Clay placed his name in the record book as his school's first player to gain more than 1,000 yards rushing in a single season.

A 6-2, 167-pound senior, Clay scored three touchdowns and ran a two-point conversion against Mattson while racking up 237 yards on 38 carries.

Entering the contest with nine touchdowns and 770 yards rushing as North's "bread and butter" ball carrier, he earned 237 yards in one prior contest. Clay and Coach Wyrostek set their minds primarily on winning the game.

But by the time the game had ended, Clay's yardage total had soared to 1,007 for the season.

Quarter scores were 7-0, 22-8 and 29-8.

With the exception of 72 yards gained on seven completed aerials through by Quarterback Greg Corey, Clay was almost the Stealers' entire offensive machine, aided by timely blocking by teammates.

North gained 12 first downs, had 240 yards rushing and averily recovered four of Mattson's six fumbles.

Mattson attained 14 first downs, rushed for 160 yards and passed for 35 more yards but was contained at key times by the North defense.

A first-quarter touchdown by Bruce Wright put North on top 7-0, with Corey drilling a point after kick with 4:18 left.

Both sides had exchanged punts, North kicking the ball away a second time with 5:27 left.

Mike Sherman booted the ball 41 yards to Mattson's 10, from where the Green Wave gained 10 yards on two ground plays and then moved another five yards on a Steeler penalty.

Rich Miller took a handoff from Quarterback Scott Brown, but North's Wright met him near the line of scrimmage and grabbed the ball from his arms to ramble 27 yards for his initial Steeler TD.

Mattson fumbled on the ensuing kickoff, giving the Stealers possession, but North was forced to kick it away four plays later on fourth down. The punt went to Mattson's 14, starting a Green Wave advance

leading in the second quarter to North's 30.

Steeler Leo Pelek tackled Miller for a three-yard loss on a fourth-down play, enabling North to gain possession.

Clay rambled 66 yards for a touchdown and then carried the ball for two points with 8:57 remaining for a 15-0 lead.

Mattson's Dave Body put his team on the scoreboard with 1:20 left in the first half, capping a 45-yard drive with a nine-yard run and then adding two points on a conversion run to make it 15-8.

The Stealers took the Green Wave kick at North's 40. Following a gain of eight yards on an aerial to Keith Atkins, Clay moved the ball to Mattson's 41 on a run and caught a Corey aerial for another 12 yards.

Passes to Sherman and Wright netted North 20 yards before Clay snared a nine-yard Corey TD pass with 11 seconds left. The Stealers led 22-8 after Corey's placement kick.

Mattson failed to cross midfield after taking the second-half kickoff. Steeler Joe O'Grady fell on a fumble on a pitout at Mattson's 46.

Failing to move on downs, North punted it away. But four plays later, Steeler Leo Pelek's recovery of a Mattson fumble at

the opponents' 46 set up a Steeler TD drive. Clay nipped away at the Mattson defense on 11 plays before running into the end zone from seven yards out with one second showing on the clock. Again Corey's foot was accurate and the score was 29-8 as the fourth period began.

In the third quarter, except for two incomplete passes, Clay carried the ball on every play—15 times—and gained 53 yards as well as a TD.

Although neither team scored in the final period, twice strong defensive efforts were needed to thwart sustained drives.

Mattson took the kick after Clay's final TD at the Green Wave 43, but a pass on the first play was picked off by Steeler Robin Smith.

North drove to Mattson's two-yard-line on passes to Sherman and carries by Clay, but had to turn the ball over on downs.

Later in the game, Mattson was forced to punt but a Steeler penalty returned possession to the visitors at the Green Wave 29.

Driving in nine plays to North's 19, Mattson faced a third down and 10 yards to go situation with Quarterback Brown ready to pass. He was hit behind the lines by North's Jody Faloni for a 10-yard loss.

## South's field hockey team defeats North but bows in sectional championship game

GCHS South's girls' field hockey team ended its 1976 season with an 8-2 record and a second-place finish in Illinois High School sectional competition Friday, losing 1-2 in the title game at SIUE to Edwardsville.

Coach Dorothy Mitchell's South players had advanced with a 2-1 win in double overtime Thursday afternoon over the previously undefeated GCHS North.

North, coached by Sharon Bloodworth, ended its season at 7-1.

Donna Macios put South on top 1-0 with a long, hard shot from outside the circle in opening minutes of the first half. But back-to-back goals by

Edwardsville minutes later decided the contest.

Edwardsville's girls now compete in the state meet at New Trier East High School in Winnetka Thursday.

South's win over North on Thursday came on penalty kicks in a second overtime period after regulation play had ended in a scoreless deadlock.

"It was truly a defensive bloodbath," said North's Coach Bloodworth. "Neither team dominated the action, and neither was accustomed to the tremendous pressure present."

North threatened to score with five minutes to play in the game when Terri Bloomquist dribbled toward South's goal and executed a driving shot. It was cleared away from the net by Goalie Mary Livingston.

In the first overtime period, with five players from each school alternating in attempting to score from seven yards away, North's Cindy Williams broke the ice with a shot which was matched by South's Angie Mosby. Missed attempts by the other players forced a second overtime period.

South's Debbie Barnes was the only player to score; North Goalkeeper Sue Leibold stopped the remaining four attempts.

ANOTHER SAVE by the St. Louis University goalie as the soccer Billikens edge SIUE 1-0 Saturday night at Busch Memorial Stadium. Tim Twellman (4) of the Cougars is ready to punch the ball in if it is bobbed by the goalkeeper. The only goal was by Tom Malle of the Bills in the sixth annual Bronze Boot game. St. Louis (12-3-1) and SIUE (11-3-0) remain in the running for a berth in the Midwest regional Division I tournament of the National Collegiate Athletic Association.

## Register now for wallpaper clinic

Persons interested in learning the techniques of wallpapering may register today at the Wilson Park office, or call 877-3059.

A demonstration and application of wallpaper will be presented Thursday, Nov. 18, at 8:30 p.m. at the Nameoki Recreation Center, Amos and Franklin avenues.

The clinic will be conducted by a representative of a St. Louis wallpaper firm and has been arranged by Lombardi Interiors of Granite City, a spokesman for the park district, advised.

## Park to issue IDs Wednesday at rink

The Granite City Park District will issue identification cards to park district residents from 7 p.m. to 9 p.m. Wednesday at Wilson Park ice rink.

Persons wishing to obtain a plasticized ID card are required to show proof of residency, such as a utility bill receipt. Each card costs 75 cents and is affixed with the owner's photograph.

An ID card enables the resident to take part in park district activities at reduced cost.

## Pirates steal pass and game, edge Warriors

A final-quarter pass interception by Pattonville High School of Missouri on Saturday afternoon resulted in the Pirates defeating GCHS South's visiting Warriors 13-7.

Coach Stan Wojcik's South squad finished the 1976 season with a 4-3 record.

Following a scoreless first quarter, Pattonville led 7-0 at the half and the score was tied 7-7 after the third quarter.

The Pirates gained 221 yards rushing, with Lance Bryant running for 95 yards and Mike Wright 66.

South had 119 yards on the ground, 74 of them by Cliff Moran.

Warrior Quarterback Keith Chambliss completed nine of 19 passes for 96 yards, with Tim Anderson hauling in six for 53 yards. Pattonville gained 60 yards in the air on four completions.

First-quarter action was dominated by the defensive efforts of both teams.

Pattonville took the game-opening kickoff at its 40 and in four plays was threatening to score from South's 22 before a Warrior aerial at the 30 and ran it back to the South's 21.

The Pirates got even quickly by balking up a turnover. On South's ensuing offensive series, they stopped the Warriors at the 30 with an interception.

Pattonville threatened again with 11:51 left in the first period, driving from its 34 to South's 25 before a fumble recovery by Warrior Dan Stanton thwarted the enemy drive.

The Pirates went on top with 5:32 left in the second quarter when Wright ran one yard to cap a 59-yard drive. The extra-point kick by Tom Saeys was good for a 7-0 score.

Warrior Moran took the second-half kickoff at his 15 and returned it to the 40 before being tackled.

Carries by Jay Heubner, Moran and Dave Thornton moved the Warriors downfield in 15 plays to the Pirate four, from where Mike Forshee took a handoff and ran the ball across the goal line. Tim Kirksey put the point after kick through the uprights for a tied game with 4:07 left in the third period.

Following South's kick to Pattonville's 37, the Pirates successfully executed plays which carried them to South's 15. But Warrior Mike Clark halted the drive with an interception of a Pirate pass.

South failed to get out of its half of the field in the rest of the third quarter. On the next play with 11:48 left in the final period, Pirate Steve Hake punted in a Warrior aerial at the 30 and ran it back to the South's 21.

Bryant rambled 21 yards down the right sideline to paydow 17 seconds later. The extra point booted.

With the drive and the remainder of the quarter, a seven-play series was the longest South could muster. Penalties and yardage losses plagued the Warriors, and the farthest they could advance was their own 55-yard line.

## North harriers return to state

For the second straight year, the Steeler cross-country team of GCHS North has qualified for the state finals.

North will go to Peoria's Detweiler Park three-mile course due to its finish in sectional competition Saturday at Decatur.

Coach Pete Robinson's harriers failed to repeat as sectional champions, but had 186 points to place fifth.

Five schools go to the state meet, which will begin at 11 a.m. Saturday.

The top five sectional teams and top five individuals who are not members of qualifying teams advance to the state meet.

Schools finishing in order

Saturday were Alton 39, Springfield 93, Belleville West 132, Centralia 148, North, Mascoutah 198, Belleville East 206, MacArthur of Decatur 213, Jacksonville 221, East Richmond 228, Benton 247, Mattson 254, Springfield Griffin 278, Charleston 309 and Eisenhower of Decatur 309.

As expected, competition for individual honors was a neck-to-neck race between Alton's Randy Adler and North's Mike Baker. Adler edged the Steeler harrier in the closing seconds of the run.

Adler finished first in 14 minutes, 38 seconds, and Baker was second in 15:07.

Placing also for North were Dave Ebrecht 17th, Greg Stout 24th, Don Lacy 32nd, Ed Fulch 31st, Royce Meyenburg 90th and Aaron Hickam, 91st.

## Fumbles help Dupo outscore Trojan eleven

Madison High School's football Trojans concluded their 1976 season with nine losses against no wins, losing 77-8 to the Dupo Tigers on Trojan Field Saturday afternoon. Fumbles and officials' rulings hurt at several key points in the game.

Dupo led 16-0, 31-0 and 59-0 at the quarters and was threatening to shut out the Trojans until a three-yard touchdown run by sophomore James Heard with 59 seconds left in the final quarter.

The visitors, improving their record to 5-4, dominated the statistics: 22-11 first downs, 389-141 rushing yards, 166-79 passing, yardage and 1-6 fumbles lost.

Heard led Madison in ground gaining, carrying 15 times for 43 yards, while teammate Pete Feurka added 30 yards on six carries. Heard caught quarterback Joe Piechocinski's aerials for 79 yards, including a two-point conversion pass.

Dupo took possession of the pigskin 15 times during the contest, scoring on 11 occasions. Coach Nick Jakich's Trojan squad took the game-opening kickoff at its 38-yard line but had to boot the ball away after failing to gain necessary yardage on downs.

Dupo began its first TD drive from Madison's 47, with Mike Ray running five yards to paydirt and Fred McKinney hauling in a Jim Woods aerial with 6:39 left for an 8-0 lead.

The Tigers defense held Madison on downs, taking the Trojan punt on Dupo's 42 to start a 56-yard TD drive that concluded with Doug Caraway running across in from the nine. Bill Miskell provided a 16-0 score on a conversion run with 1:50 remaining.

Madison lost the ball on a pass interception by Dupo's Ed Gunter with 42 seconds left, but Trojan Pete Feurka returned the favor or the Tigers' first play at the Dupo 44 to end the first period.

Madison opened second-quarter action with a fumble at its 28, where Tiger John Edwards covered it. Five plays later, Dupo's Fred McKinney ran into the end zone from the one-yard-line with 10 minutes left on the clock. Miskell again provided a conversion run for a 24-0 score.

Madison took the kick at its 21 but had to kick it away following minimal ground gains and a holding penalty, resulting in Dupo putting together a 58-yard drive from its 47. Dave Thompson hitting Ed Gunter with a 19-yard aerial. A placement kick made it 51-0 with 3:46 to play before half-time.

Seconds later, Madison fumbled the ball away after gaining a first down at Dupo's 39 on a 21-yard carry by Feurka.

But the Trojan defense rose to the occasion, forcing a turnover on fourth down at Madison's 48 with 54 seconds left when Dupo fumbled in an attempt to gain six yards for a first down. Dupo recovered its fumble, but Madison took possession.

Piechocinski, working against the clock, immediately hit Heard with aerials for gains of 19 and 32 yards for two first downs, the latter on Dupo's one-

yard marker with six seconds to play. A screen pass to Feurka fell incomplete as the half ended.

Dupo scored four TD's in the third period, opening with a 65-yard drive. The Tigers scored on a 25-yard pass from Woods to Gunter with 11:15 left. An extra-point kick attempt failed.

Madison fumbled on its eight, enabling Miskell to run it in with 10:15 left. A kick made the score 44-0.

Following Madison's reception of Dupo's kick at the Trojan 20, a Piechocinski aerial was picked off by Tiger Woods. There was an 18-yard TD run by Roger McLean with one second left. Dupo's extra-point attempt was good.

In the final quarter, a MHS fumble was recovered by Dupo, which started a TD drive from Madison's 31. McLean running 11 yards into the end zone with 10:15 left. A placement kick by Woods failed and it was 64-0.

Dupo scored with 6:42 remaining after Jeff Horn intercepted a Madison pass at the 26. Six plays later, Doug Caraway ran six yards to score and a two-point pass by Woods fell incomplete.

The Tigers capitalized again on a Trojan fumble with 5:28 left, taking possession on Madison's 20 and moving to the 10, from where Brian Phillips scored Woods' point after kick was good for a 74-0 lead.

Madison controlled the ball for two minutes before kicking it to Dupo's 30 on fourth down. The Tigers gained five yards but strong resistance by Madison's defense forced a fourth-down situation. The Trojans took over on Dupo's 35 when a pass fell incomplete with two minutes left.

Heard was thrown for a loss to three yards on a pass reception, but the line of scrimmage moved 15 yards farther into Tiger territory when pass interference was called on Dupo.

Heard carried for gains of four and then 10 yards before the Trojan runner, after an illegal procedure call against the visitors, ran in from the three for a TD. Heard then hauled in a two-point conversion pass.

## Henry will be in Bearcat lineup starting on Jan. 5

**Boisterous:** Coach Harry Statham is not. But when the McKendree College basketball mentor insists on using such provocative words as explosive and awesome in describing his current Bearcat edition, one gets the impression that 1976-77 could be one for the record books.

Not that Statham and company have not been impressive in the past. In a ten-year hard-wood history as head coach, Statham has guided McKendree to a 199-60 overall record which included three trips to the National Association of Intercollegiate Athletics (NAIA) District 20 playoffs. The Bearcats have posted identical 17-9 marks the past two campaigns.

"We've had some contenders, but this year's team should be the best I've coached, from top to bottom, since I've been here," said Statham. "Without doubt, this is the best balance and depth we've had."

McKendree will be relying heavily on the savvy of its four returning seniors, Dale Haverman, Chuck Renner, Gary Vandelo and Mike Schualat in hopes of gaining a post-season berth. The quartet is expected to see the lion's share of action in the Bearcats' home opener Nov. 20 at 3 p.m. against Arkansas Polytechnic College and in the ensuing six road games.

Haverman, an all-district selection last year, averaged 29.9 points per game with 10.5 rebounds to lead the squad. Collinsville's Schualat averaged 10.1 in the mid-tens and Vandelo chalked up 14.6 points and accounted for 12.7 rebounds per game.

"Haverman is a key man in our picture this year," Statham. "When he's healthy, he's awesome."

"But Dale won't have to score 40 points per game for us to win this season because we have such overall depth."

"Opponents will have a tough time stopping him, though," Statham added.

## Women joining men as Chamber ambassadors

The first meeting of the newly-formed Ladies Ambassadors Committee chaired by Mrs. Mary Jensen was held last week at the Tri-Cities Area Chamber of Commerce board room. Members are Madeline Shirley Adams, Margaret Lee, Jo Meyer, Jeanette Scannell and Billie Schuler.

The structure of the Ambassadors Committee has been changed this year. Rather than a single chairman for the entire committee, consisting of approximately 20 members, there are four co-chairmen or "sales managers" appointed by Chamber President Roger Higgins. Each co-chairman will have four to six Ambassadors in a group that will meet once each month.

The function of the Ambassadors is to maintain the

organization. Tasks include recruiting new members, collecting delinquent accounts, serving as hosts and hostesses at Chamber gatherings, and making as many good-will calls throughout the year as possible. Chamber Executive Vice-President Edward Reiske commented, "This is the first time we have had an all-girl Ambassadors group, and they appear to be formidable. They have established their quota for the year, and have assigned prospects to be followed up on a weekly basis."

"It is their hope that they will complete their assignment for the year within the first six months of the fiscal year. They appear to constitute a real challenge to the male Ambassadors, who will be headed up by John Blasingame, Barry Loman and Charles Meyer."

## Cadet promoted Workmen's compensation law causing many problems

**Cadet promoted**  
Cadet Frank Draganich, son of Mr. and Mrs. Frank J. Draganich, 2715 Grand Ave., has been promoted to the rank of cadet corporal in the Reserve Officers Training Corps at Missouri Military Academy, Mexico, Mo.

The promotion of Cadet Draganich was announced by Major Kenneth Mortenson, commander of cadets. Promotions were granted for scholastic, athletic and leadership progress in the MMA Cadet Corps.

The academy, a college prep school for boys in 4th through 12 grades, is rated as an honor unit with distinction by the U.S. Department of the Army.

Small business and municipalities with a fixed tax base are having a real problem with the 1975 Workmen's Compensation law in Illinois, according to Richard L. Maloney.

(Continued from Page 1)

of most potential homebuyers. "It was copied from one for a large city. A lot of it just does not apply there," Barton said. He used one example, saying, "They dictate to us that subdivisions must have bicycle paths. A path three feet wide through a subdivision might use land which could have been two or three extra lots at \$6,000 to \$9,000 per lot."

"Someone has to pay that cost and, when you look at these requirements in dollars and cents, it just doesn't make sense to use such a stringent ordinance to control building in Madison County. You cannot even move a tree when building a subdivision," Barton contended.

Barton said his past dealings with the county have not made him anxious to join the fight to amend the ordinance, adding, "They will just listen to you and then turn around and do what they please."

State Rep. Everett Steele, a developer, said he has not been able to spend as much time as he would like recently studying land use problems. But he said his initial review of the proposed ordinance convinced him the ordinance, as proposed, "would place considerable restrictions on the developers which might have the effect of discouraging building or causing some builders to move elsewhere."

He agreed the ordinance might work well in a densely populated area but was not designed for Madison County.

"Building has gone to a standstill here now due to prohibitive restrictions," Rep. Steele contended.

"The county has not been lax. There is too much to do before building now."

"For example, you have to have approval of the drainage plans from the levee board. You have to have the approval of the Granite City if you are within one and a half miles."

"We do not need another layer of comprehensive restrictions. If someday we see this ordinance in effect, it will take a while before we feel the full impact, but we will feel it," Steele predicted.

Louis Whittell, supervisor of Nameoki Township, a member of the County Board and its land use committee, is on vacation and was not available for comment.

Frandsen commented, "All we want to do is protect the people when they buy homes. We do not want an ordinance which is going to drive up the price of homes and drive buyers into mobile homes."

"We are perfectly willing to carefully consider all of the suggestions of these professionals and to come up with something that is going to give this county nice subdivisions, where people will want to live, without driving up the price," Frandsen asserted.

## 2 run, one caught near truck stop

An officer making a routine check at the Wagon Wheel Service Station and Truck Stop, 3007 Edwardsville Road, at 11:55 p.m. Saturday, saw two youths run from the rear of the station and stopped a third youth who attempted to leave the scene in a car.

A rubber hose was found in the gas tank of a parked truck nearby, and about two gallons of gasoline were in a container. Charged with theft was Mike Roberts, 17, of 3831 John Glenn Ave. Police are continuing to seek the others.

## Fire damage at American Colloid

A minor explosion followed by fire caused an estimated \$4,500 damage to a coal dust and clay mixing hopper at American Colloid Co., 1601 Walnut St., at 5:55 p.m. Thursday.

Firemen reported the coal dust and gas explosion tore the tank-type hopper apart at its seams and started coal staining bags on fire. Firefighting efforts continued for 30 minutes. The firemen were recalled to the building at 7 p.m. Thursday when the coal bags rekindled. They were there 50 minutes.

## News notes

About ten million Americans have received swine flu shots but there have been none for Grand-Central. Barton said, "I have talked with a lot of local residents who have obtained them in St. Louis and elsewhere. The state has set Nov. 25, starting date for Madison County."

## Disconnect fire phones

Telephones at the Nameoki Road fire station were accidentally disconnected last night and were to be returned to service today.

A fire department spokesman explained the telephone company had been notified to prepare to have the phones switched to the new fire station at Johnson Road and Richmond Avenue within the next two weeks when firemen move to the new station.

"We explained the problem and they said they would reconnect service at the Nameoki Road station today," the spokesman said.

## Three burglaries in Madison Sunday

Three burglaries were reported Sunday in Madison. At 12:30 a.m. Bob Hodorovic discovered a spare tire and wheel valued at \$20 missing from his auto parked in front of the Croatian Home, 1001 Madison Ave. The trunk had been opened by a button inside the glove compartment.

At 2:10 p.m. it was reported that the home of Glen Retter, 110 Reynolds St., was entered after thieves pried off the door facing. The bedroom was ransacked.

Clothes, housewares and two bicycles with a total value of \$1,100 were reported at 5:25 p.m. as missing by Della Jean Smith, 1508 Third St., Madison.

Few of 23 degrees Friday and it fell this morning to 16 degrees.

The two Illinois governor candidates campaigned with generalities rather than dressing themselves directly to the issues, Lee Norgard, executive of Common Cause in Illinois, charged Thursday. He predicted that legislative emphasis on "sugar laws" for state agencies, conflict of interest and women's rights.

Studded snow tires are now banned in Illinois except for tractors, road construction machinery, on-duty mail carriers and certain off-road vehicles.

A public meeting will be held at 7:30 p.m. tomorrow at the Madison County Courthouse on distribution of third-year applications and explanation of the county's Community Development program.

State's Attorney Nicholas G. Byron has agreed to consider possible grand jury action on election incidents, subject to presentation of adequate evidence. County Republican Chairman Edward Ragdale contends that "shocking" activity bordering on vote fraud has been uncovered by poll watchers.

Madison County department heads were told Friday that substantial layoffs of county employees will be necessary in the year opening Dec. 1, 1978, due to budget limitations. Layoffs might affect several dozen, it was estimated. Specific details were not outlined.

## Masked men rob station attendant

An undetermined amount of cash was stolen from an attendant at the Olympic Service Station, 20th and Adams streets, at 7:15 p.m. Thursday by two men wearing ski masks over their faces, one displaying a snarl-toothed pistol.

The attendant said a dark green or blue older model Ford Maverick drove to the gasoline pump and when the attendant approached the driver's window, the driver displayed the pistol and said, "This is a holdup. Give it to me," police were told.

The attendant said he got a number of \$10, \$5 and \$1 bills from his pocket and the armed man grabbed the money and drove north on Adams Street. The car did not have license plates, the attendant said.

Police searched for an auto matching that description, but the robbers could not be found.

## Sweet Adelines show Saturday

The Collinsville Chapter of Sweet Adelines, Inc., will present its 9th annual show Saturday in the auditorium at the Webster Junior High School, 108 W. Church St., Collinsville.

The chapter consists of more than 50 members from various communities, including the Quad City area.

In this year's show, the chapter will be celebrating its 10th anniversary and the nation's Bicentennial, according to Louise Blew, president.

Proceeds from Saturday's show will be allocated to Specialized Services of Granite City, Oliver C. Anderson Hospital, Our Lady of the Snows-Blind Receivers, and Sweet Adelines World Wide Extension.

Tickets will be available at the door, or may be purchased in advance by calling Jean Schuller, ticket chairman, at 345-6692.

Mrs. Blew said the performance will include songs chosen from the repertoire of the past 10 years and selected pieces appropriate to the nation's 200th birthday.

Featured will be the chorus' two registered quartets—The Note-A-Belle Arrangement and The Gateway Sound.

The Collinsville-based group, part of the Sweet Adelines International organization, sings barbershop style harmony. The members appear before many different organizations and at social and civic functions and nursing homes.

An "afterglow" will be held at the VFW post in O'Fallon, with three guest quartets to perform—The Gaslight Squares, The Cordially Yours and The Improvables.

The public is invited to attend Saturday's performance at the Collinsville school.

## More jobs, industrial sites urged

The St. Louis metropolitan region will need between 370,000 and 490,000 new jobs by the year 2000 if its population increases to the level forecast by the East-West Gateway Coordinating Council, according to a report Friday by the St. Louis Regional Commerce and Development Commission.

"Economic Development of the St. Louis Region to the Year 2000" states that "vigorous community effort will be necessary, particularly in attracting new manufacturing jobs, if the projected growth is to be realized."

The Gateway Council has estimated that regional population will grow from almost 2.5 million in 1976 to

between 2.9 million and 3.2 million in 2000.

To support a population of that size, jobs must increase to 370,000 to 490,000 or about 14,800 to 19,600 a year, the RCGA says.

The projection allows for changing participation in the labor force, changes in the age-sex composition of the population and the overall increase in population.

The manufacturing sector, which generates, directly or indirectly, 50 per cent of all jobs in the St. Louis region in the private sector, must be looked to for most of the increase, the report says. It is estimated that 87,200 to 116,000 new jobs must be created in manufacturing.

In addition, an estimated 17,500 to 23,200 acres of industrial land must be found to accommodate growth in manufacturing and warehousing, it is asserted.

Dam 26; modernization and relocation of railroads; construction of Meramec Park Lake; designation of St. Louis as a trans-Atlantic air terminal; establishment of a foreign trade zone; and relocation of the Air Force Communications Service to Scott Air Force Base.

Using forecasts of regional growth from various sources, it suggests that a sufficient number of jobs can be created to justify the population projection, but adds that vigorous efforts are needed to attract new business to the region.

In addition, it calls for an inventory of industrial land, the safeguarding of industrial sites

now available, and designation of land for future industrial use.

The report was produced by Stephen Taylor, manager, and other members of the RCGA research department staff.

### Walter Walters joins M-V Rotary

The Rev. Walter Walters, pastor of the Bethel AME Church, was inducted last week as a new member of the Madison-Venice Rotary Club at a meeting in the Madison Recreation Center.

Rotarian Jack Friedman instructed the new member on the meaning of Rotary and presented Rev. Walters with his pin and other official literature on Rotary International.

The club voted to double its contribution to the United Way.

Henry Gray, chairman of the M-V Rotary Club's United Way drive, reported that the amount raised by the club would be in excess of last year's contribution.

A special birthday cake was presented to Mrs. Valerie Stevens who plays the piano for Rotary singing each Wednesday.

## Hearings scheduled on educational legislation

Three public hearings on proposed educational legislation will be held around the state this month by the Legislative Committee of the State Board of Education, committee chairman Charles Long has announced.

The hearings, which will allow discussion of preliminary legislative proposals that will be framed by the State Board at

its Nov. 11 business meeting, will be held as follows:

Nov. 12, Friday, 10 a.m. to 3 p.m., Association of Commerce and Industry of McLean County, 210 S. East St., Bloomington.

Nov. 16, Tuesday, 10 a.m. to 3 p.m., Benton Community Building, Benton.

Nov. 20, Saturday, 5 p.m. to 7 p.m., IASB-IASA-IASBO Joint Annual Conference, Palmer House Hotel - State and Monroe Street, Chicago.

Citizen suggestions on it are being solicited, as the State Board wants to hear the comments and suggestions of the public on the proposals and on other educational issues in elementary and secondary education before the forthcoming state legislative sessions.

Anyone wishing to testify at

one of the hearings the board said, "should contact: Information Center, Illinois Office of Education, 100 N. First St., Springfield, Ill., 62777 (telephone 217-781-4331) by Wednesday, indicating a telephone number at which he or she may be reached.

A hearing schedule will be arranged, and those testifying will be notified of the time for their presentations. Oral testimony will be limited to five minutes; written testimony of any length will be accepted, if they can do so, those testifying are asked to bring 10 copies of their testimony to the hearing they will attend to enable an accurate record to be kept.

## Children's clinic Wednesday

A free diagnostic clinic for physically handicapped children will be held Wednesday by the Granite City Elks Lodge in cooperation with the Illinois Elks Association Physically Handicapped Children's Commission.

The clinic will be held in the Elks Club from noon until 3 p.m., and the public is invited to participate, according to Beryl Schmissner, chairman of the local Elks lodge committee.

An orthopedic surgeon from the University of Illinois Hospital at Chicago will be the clinician in charge.

Children with orthopedic

problems, including those who have been examined at previous clinics and those physically handicapped in any way, are invited to attend for evaluation. Children from newborn to 21 years of age are welcome. They should be accompanied by a parent or guardian.

Family physicians are invited to send patients they feel might benefit from this service as well as patients that are needing physical therapy. School nurses are urged to refer any handicapped child they might have

contact with in their area, according to Schmissner. All Elks with children should especially take advantage of this clinic even though there seems to be no problem.

The Elks of Illinois are sponsoring clinics in 62 lodge areas with 90 clinics being held this year, such clinics having been started 48 years ago. They have provided medical care, operations, hospital care, prostheses and physical therapy during most of this period.

There is no charge for services rendered at this clinic.

## Chouteau disputes payment for truck

The Chouteau Town Board of Auditors agreed last week that it might be in violation of state law if it approved payment for a used truck for the highway department unless the general road and bridge fund budget is amended to provide funds for the purchase.

Highway Commissioner James Estes purchased a used truck in Springfield, Ill., last month and a payment of \$1,650 for the truck was refused by the board after it was submitted when it was discovered there were insufficient funds remaining in the equipment purchase portion of the general road fund to pay the bill.

Estes resubmitted the bill to the board Monday night and requested his attorney arrange proceedings necessary to amend the budget and the board would agree to pay the bill, if sufficient funds were made available under the equipment purchase category.

The board also agreed it would approve sale of a \$5,000 tax anticipation warrant for the highway department to pay that bill and others, if the budget is amended.

The agreements were made despite the objections of

Chouteau Township Supervisor Walter "Dick" Sparks, who said he does not feel the highway department needs another truck and will vote against amending the budget for it.

## Short course on thinking of children

Professor Irving Sigel, a researcher on the development of thinking in children and director of the Child Care Research Division of Educational Testing Services, Princeton, will conduct a weekend short course for area teachers, administrators, school board members and university faculty during the weekend of Dec. 10-12.

The session is scheduled at Perre Marquette State Park, Grafton. The title of the course is "Intellectual Development in Children: What Can Education Do?"

The course is sponsored by the Teachers' Center Project of SIUE.

Tuition is \$25 and lodging is \$9 per person per night, double occupancy. The course will begin at 7 p.m. Friday, Dec. 10, and conclude at 4 p.m. Sunday, Dec. 12.

Inquiries may be directed to the Teachers' Center Project, SIUE 6208 or to 692-2118. The center project is supported by SIUE and by the National Science Foundation; it operates three teachers' centers in the St. Louis metropolitan area.

## 2 girls charged after disturbance at hospital here

Two girls were arrested outside of St. Elizabeth Hospital at 7:30 p.m. Sunday in connection with a disturbance inside the hospital and police alleged the girls created a second disturbance during their arrest. Each faces two charges of disorderly conduct.

Arrested were Sheila A. Reid, 18, of 2616 Madison Ave., and a 16-year-old Kirkpatrick Homes girl who faces possible juvenile court action.

A nurse and a security guard at the hospital and two girls created a disturbance, cursed and yelled at them and then left.

Police stopped two girls on Niedringhaus Avenue near Grand Avenue and alleged force had to be used to place the juvenile girl in the police car as she attempted to resist and hit an officer. The older girl allegedly yelled at police and threatened officers during the arrest.

Officers also alleged the girls created another disturbance while being booked at the police station. Complaints charging disorderly conduct were filed by a hospital employee and by officers.

## Political group to meet tonight

The Metro-East Women's Political Caucus will hold an organizational meeting at the Granite City YMCA at 7:30 p.m. today. The group is a non-partisan organization which provides basic information about candidates, campaign strategies and studies current legislation.

Serving as chairman is Carl Friedrich, Rosewood Heights, with Anita Edliff, Granite City, as vice-chairman. The meeting is open to the public.

## Arrest three

Michael M. Tucker, 22, of 2131 Grand Ave., Tina M. Vivod, 19, of 2604 North St., and Robert E. Simpson, 22, of North Street, were arrested Thursday and charged with theft.

The three allegedly took a cast iron sink from the yard at 2127 Cleveland Boulevard and drove away with it in the back of a white station wagon.

The sink belongs to Mrs. Peggy Pryor, 2138 Benton St., and her daughter witnessed the theft and ran after the car yelling for the thieves to return the sink.

Police stopped a car matching the description in the 2600 block of North Street and arrested the three occupants. A sink allegedly was found in the rear of the vehicle.

## Car damaged

While driving west on Peeling Road, near Bradley Avenue, at 12:55 a.m. Sunday, Dan Stanton, 2940 Washington Ave., said a projectile was fired from a passing pickup truck and shattered the rear window of his station wagon.

Stanton said a short time later when his vehicle ran out of gas while driving with a friend in the 2100 block of Johnson Road, the same pickup truck, followed by a car, drove past and a second object was fired from a wristrocket slingshot, striking his friend.

The operators and passengers of the two vehicles were encountered on Bermuda Lane, Stanton said, and a fight ensued between his friend and the pickup truck driver.

Stanton told police at that point a third man, armed with a "long gun," interceded in the fight, waved the weapon around and a shot was fired. All participants disappeared after the car discharged, Stanton told officers.

## Worker injured

Douglas Meyer, 19, Fairview Heights, was injured while operating a forklift truck at the Nestle Co. plant here and was taken by ambulance to St. Elizabeth Hospital where he was admitted at 4:30 a.m.

It was reported the forklift slipped into reverse and he was pinned between it and a wall. X-rays were taken and he was treated for contusions to his left upper leg and other injuries.

## Shot with pellet

John Richardson Jr., 13, of 213 Terminal Ave., suffered a pellet gun wound to the back of his right leg while walking on the right-of-way between Terminal Avenue at 2:15 p.m. Sunday.

He said two boys were walking behind him when a pellet gun they were carrying discharged. Juvenile authorities are to question the boys with the gun to determine if it discharged accidentally.

Richardson suffered only a minor injury and was released after treatment at St. Elizabeth Hospital.

## Fire damages vacant house

Children playing in the garage of a vacant house at 3421 Glen Place, believed to have started a fire which caused \$3,000 damage to the garage and \$100 damage to the rear of the house at 7:40 p.m. Sunday.

Neighbors reported children had been playing in the vacant garage all day and an explosion occurred minutes before firemen were summoned. Firemen found a acetylene tank inside the garage which had exploded.

The firefighters were on the scene one hour and 20 minutes. The house, which was for sale, is owned by Tim Miskelly. At 9:45 p.m. Sunday, firemen were recalled to the garage after the fire rekindled. They were there 20 minutes.

## 2 youths charged

Two youths were arrested and charged with unlawful possession of cannabis at 8:30 p.m. Saturday, when officers found three persons in the front seat of an auto, parked at the rear of New Logan School, 2408 W. 25th St. Both car doors were open and two speakers emitting loud music were on the roof of the vehicle, officers said.

An ashtray allegedly containing several half-smoked marijuana cigarettes were found under the seat and officers said a strong odor of marijuana was noted. Arrested were Danny O. Steffens, 17, of 2629 Missouri Ave., and Jerry R. Kendall, 18, of 2619 W. 26th St. The third person, a juvenile, was released to parents and not charged.

## Auto overturns

The auto of Christopher Pritchard, 18, of 4140 Division St., Pontoon Beach, went out of control and overturned on Pontoon Road at the Shell service station near Sara Street at 1:35 p.m. Sunday.

Pritchard was charged with reckless driving after his auto allegedly went from the westbound lane of Pontoon Road into the service station lot, rolling over and striking a light fixture.

Gregory Rains, 19, of 138 Arlington Drive, Arlington Heights, a passenger in the auto, later said he was injured in the accident and was taken to St. Elizabeth Hospital where he was treated for abrasions to his back and behind his right ear. X-rays were taken and he was released.

**MAN HIT BY CAR**  
Walter Portell, 53, of 2021 Hildebrand Ave., Madison, was taken by ambulance to St. Elizabeth Hospital at 9:55 p.m. Friday from 14th Street and Madison Avenue, where a relative said Portell had been struck by a car. He had x-rays taken of the spine and chest and was released.

## Pellets injure newspaper boy, 12

David Apperson, 166 Briarwood Lane, a 12-year-old newspaper delivery boy, was shot in the back with pellets from a BB gun, owned by a 13-year-old youth, at 6 p.m. Friday, while the former was collecting money on his paper route.

Officers confiscated the gun and talked with the 13-year-old and his mother, warning them of penalties for similar actions in the future.

## Emerson PTA to meet Tuesday

Title 1 pre-school teachers will give a slide presentation on the current pre-school program at a meeting Tuesday at Emerson School PTA, according to the President Vinita Windland.

Mrs. Windland said the session will convene at 7:30 p.m. and parents will be involved in a discussion session relating to the program.

Nominations of officers for the 1977-78 school year will be made during the meeting. It was noted.

The president urges all parents to attend and join the

## Shot accidentally

Mrs. Phyllis L. Jones, 34, of 644 Chouteau Ave., Mitchell, was admitted to St. Elizabeth Hospital for surgery at 4:10 p.m. Sunday after her left foot was grazed by a bullet.

Her husband, Gary Jones, said he was cleaning a .45 caliber automatic pistol in the living room of their home and when he put the clip back in the weapon discharged accidentally, the bullet crossing the room and striking his wife's foot.

Madison County sheriff's deputies took Mrs. Jones to the hospital.

## Navy Mothers 850 observe 19 years

Quadrant City Navy Mothers, Chapter 850, celebrated the 19th birthday of the local chapter at a dinner party on Thursday evening held at the VFW Post 1300.

The hall and tables were decorated in a Bicentennial theme with small drums used as individual favors and centerpieces were arrangements of blue and yellow blossoms. The main table was centered with a huge frosted cake topped with "Happy Birthday" letters.

Commander Edna Miller welcomed the 34 members and announced the next regular meeting will be held on Nov. 18. She added there was not to be a business session during the social observance with the exception the members agreed to aid a local boy who is serving with the U.S. Navy and is home on leave.

Prizes for the evening were won by Betty Teller, Norma Darwell, Mattie Heflin, Marylee Busler, Mickey Krusec and Mrs. Miller.

## Panel discussion on Personal Protection

A panel discussion on "Personal Protection" provided the program for the semi-annual meeting of the Southwest District of the Madison County Homemakers Extension Association last week, held at Coolidge Junior High School.

Panelists included Pete Baetz, administrative assistant in the Madison County Sheriff Department; Dean Sweet, assistant states attorney; Officer Friendly Glenn Wright, patrolman Granite City Police Department; Paul Bargiel and Tom Voloski, Madison Police Detectives and Sergeant Charles Mize of the Venice Police Department.

They spoke on preventive measures and emphasized citizens are advised to become involved by attending crime blocker programs.

Crime Blocker programs are set up from 7 to 9 p.m. on Tuesday, Nov. 9, at Prather Junior High School; Nov. 22 at Coolidge Junior High School; Nov. 23 at Salvation Army Center and on Dec. 4 at the Elk's Club. All sessions are open to the public.

Mrs. Norma McCormick, chairman, welcomed 65 members and guests. She awarded the gold cup to the Venice-Madison Unit who registered the largest number of members present.

Those holding the office of treasurer in each unit were in charge of the "Country Store" project and chairmen of all chapters served as hostesses for the evening.

Those appointed to serve as planning committee for the May 1977 meeting included Irene Dawes, Ruth Brave, Martha Melloy and Ethel Robertson.

## Residents invited to 'Crime Blocker' class

A public "Crime Blocker" program to recruit and train citizens to be aware of any unusual happenings in their neighborhood which may indicate a crime is in progress will be presented at 12:30 p.m. Thursday at Niedringhaus United Methodist Church.

## Ladies Coterie hosts auction

A silent auction conducted by Mrs. John Kenner provided the program at a meeting on Thursday of the Ladies Coterie held at the First United Presbyterian Church.

Mrs. William Cariss served a dessert luncheon to 38 members followed by the club collect by Mrs. E. J. Griffith. Mrs. Fred Haug led the members in the pledge to the flag and all sang, "America the Beautiful" accompanied at the piano by Mrs. E. F. Reiske.

President Mrs. Bess Henley presided and reported plans for the Christmas party are underway.

Reports were submitted by those who attended a Reciprocity Tea hosted by the Monday Club of Edwardsville on Nov. 1 and the Madison County Federation of Womens Club in Troy.

Mrs. R. E. Chapman closed the meeting with the Lord's Prayer.

## DEMOCRATIC CLUB TO ELECT NEW OFFICERS

The Granite City Democratic Club will meet at 7:30 p.m. on Wednesday, Nov. 10, at the Knights of Columbus Hall, for a regular meeting and to elect officers for the ensuing year, according to Nick Petrillo, president.

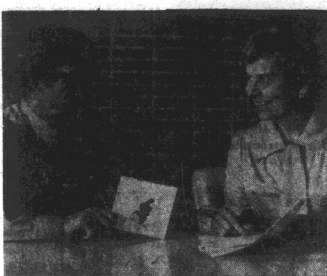

All members and prospective members are invited to attend the president added.

The police officer, who doubles as "Officer Friendly" in the department's safety education program at local grade schools, will teach "Crime Blocker" participants the proper methods of reporting a suspected crime to police so that officers may take appropriate action.

Primary objective of the program is to reduce house and auto burglaries in the community. Officer Wright explained.

Recruiting "Crime Blockers" and alerting homemakers, senior citizens and other residents to situations which may indicate a criminal act is taking place have been in operation in Granite City for the past year, the policeman said.

Child care services during Thursday's program will be provided by Church Women United.

**CRIME BLOCKER EXPERT** Officer Glenn Wright of the Granite City Police Department and Mrs. William L. Baetz of Church Women United review plans for a "Crime Blocker" program to be presented at 12:30 p.m. Thursday at Niedringhaus United Methodist Church. The public is invited to attend. Child care services will be provided.

## Parkview Open House set

Parkview School will hold open house on Tuesday night in observance of American Education Week and also offer books for sale in conjunction with a book fair which is now in progress, according to Mrs. Pat Bienecki, PTA president.

Refreshments will be available in the cafeteria after the hour of classrooms.

Chief White Eagle, who is in the area making guest appearance under the auspices of Tri-Mor Bowl, visited the school on Thursday. He revived the "Old West" by appearing in his native costume and entertained the children with a native dance and information on the history of the American Indian.

During the school assembly, Mrs. Bienecki, reported the candy sale was a success. Those winning prizes were Billy Suhling, first, who received a CB radio; Lucinda White, second place award, a tape

cassette and Tim Hutcheson, third, a camera and case.

Mrs. Phyllis Ryan, chairman of the project, said a radio was also presented to the top salesman in each grade level.

A Halloween parade was enjoyed by the students, last week with the Granite City High School North Steelers flag bearers and rifle drill team leading the youngsters.

After the parade the North High students participated on the school playground. Mrs. Linda Zerkowski, membership chairman, announced at the assembly that the PTA membership contest was won by Mrs. Linda Roch's second grade and received a trophy and gift of \$10. A second place award for \$5 was won by Mrs. Elizabeth Briggs's morning kindergarten class.

An executive board meeting will be held on Nov. 16 at the home of Mrs. Bienecki, it was noted.

## Halloween party at Emerson

Emerson School hosted a chili supper and Halloween party for the students under the leadership of chairman Pat Strauser, Sheila MacLaughlin, Lois Gunderson and Pat Mitchell.

Prizes were awarded on each grade level for the prettiest, funniest, ugliest and most original costumes.

Kindergarten students who won include, Dawn Jones, Eric Vincent, Ronnie Smithers, Mark Mathis; first grade, Michelle Herring, Mike McCormick, Christine Sternberg, Nicole MacLaughlin; second grade, Jennifer Raynor, Mary Bixlers, Cindy Wilson, Tom Clemens; third grade, Tina Knight, Angela Betts, Jennifer Ortiz, Katherine Carracci.

Fourth grade, Kim Willowby, Matthew MacLaughlin, Greg Funkhouser, Kelli Wilson; fifth grade, Robin Bollinger, David Andrews, Eric Gunderson, Mike Hewlett; sixth grade,

Pam Mitchell, Candy McCarthy, Robert Favier, Tom Paul.

Primary place winners were Jennifer Raynor, Mike McCormick, Cindy Wilson, Mark Mathis and intermediate place awards went to Kim Willowby, Matthew MacLaughlin, Eric Gunderson and Kelli Wilson.

All pupils who participated in the costume judging received candy treats. Judges were Eugene Alassi, Mrs. Dorothy Phelps and Ed Gonia.

vs.  
CYNTHIA GAIL MING and MARY DELL WHITSELL, Defendants.)

76-F-419  
**NOTICE OF PUBLICATION**

**IN THE MATTER OF NOTICE TO EARL MING PUTATIVE FATHER.**

You have been identified as the father of a child born on the 12th day of September, 1969.

The mother of said child is Mary Dell Whitsell.

The mother has indicated that she intends to place the child for adoption.

As the alleged father of said child, you have certain legal rights with respect to said child, including the right to notice of the filing of proceedings instituted for the adoption of said child.

If you wish to retain your rights with respect to said child, you must file with the Clerk of this Circuit Court of Madison County, Illinois, whose address is Madison County Courthouse, Edwardsville, Illinois, within 30 days after the date of receipt of this notice, a declaration of paternity stating that you are, in fact, the father of said child and that you intend to retain your legal rights with respect to said child, or request to be notified of any further proceedings with respect to custody or adoption of the child.

If you are not the father of said child, you may file with the Clerk of this Court a disclaimer of paternity which will be noted in the Clerk's file and you will receive no further notice with respect to said child.

## Gateway and Health Agency form interlocking committees

Sister Mary Roch Rocklage, president of the St. Louis Area Health Systems Agency, and Nelson Hagauer, chairman of the East-West Gateway Coordinating Council board, have announced the initiation of a memorandum of agreement between the two agencies.

The memorandum provides a basic framework for information sharing, coordinated planning and overall cooperation between the two agencies.

Specifically, the agencies have agreed that:

1. Elected officials will be serving members of the board of directors and executive committee of the Greater St. Louis Health Systems Agency (HSA).

2. The executive director of the HSA will serve as a non-voting member of Gateway's executive advisory committee.

3. Board members, advisory technical and citizen committee members and staff will be asked to serve on each other's committees and task forces.

4. Both agencies will hold periodic joint staff meetings.

5. Both agencies will use the same base data, statistics, and projections - to the greatest possible extent - for their planning responsibilities.

6. Both agencies will continue force and effect from and after its passage, approval and due publication.

PASSED BY THE CITY COUNCIL of the City of Granite City, Illinois, on this 18th day of November, A.D. 1976.

APPROVED BY THE Mayor of the City of Granite City, Illinois, this 4th day of November, A.D. 1976.

PAUL SCHULER, Mayor

Attest: ROBERT W. STEVENS, City Clerk

No. 17 34 11 8

and expand cooperative arrangements for sharing planning resources and administrative services.

7. Both agencies will continue to receive applications for federal funds in their respective areas of responsibility. Each will review, comment upon and submit to the other, actions taken for Gateway with area health care providers and consumers.

8. The Gateway Council will assist the HSA in providing liaison with elected public officials throughout this area. Likewise, the HSA will provide linkages for Gateway with area health care providers and consumers.

9. Both agencies will develop a system of exchanging and sharing information.

10. The Greater St. Louis Health Systems Agency is responsible for areawide planning for health services and facilities. Its board is composed of health care providers, consumers and elected officials.

The East-West Gateway Coordinating Council is a voluntary association of local governments in the St. Louis metropolitan area.

Gateway is responsible for a wide range of planning activities, many of which have a direct relationship to health planning concerns. Some examples include planning for transit improvements and highways, housing, land use and improving the environment.

The memorandum of agreement is designed to ensure maximum coordination and prevent duplication of effort in those areas of interest that are shared by the two agencies.

**TOTAL SATISFACTION GUARANTEE**

Everything you buy at Kroger is guaranteed for your total satisfaction regardless of manufacturer. If you are not satisfied, Kroger will replace your item with the same brand or a comparable brand or refund your money.

We also guarantee that we will do everything in our power to have ample supplies of all advertised specials on our shelves when you shop for them. If, due to conditions beyond our control, we run out of an advertised special, we will substitute the same item in a comparable brand (when such an item is available) reflecting the same savings or, if you prefer, give you a "RAIN CHECK" which entitles you to the same advertised special at the same special price any time within 30 days.

**LIMITED 18 MONTH REPLACEMENT:**  
**LIMITED 19TH - 48TH MONTH PRORATA ADJUSTMENT WARRANTY**  
 Should any Premium 48 battery fail (not merely discharge) within the designated replacement period, the battery may be returned by the original owner to K mart for replacement at no charge upon presentation of sales receipt. After the replacement period but before the expiration date of the warranty, K mart will replace a failed battery to the original owner, charging only for the period of ownership, based on the current price at the time of return prorated over the total warranted months, by battery type.  
 This warranty does not apply to batteries which have been damaged, misused, or commercially used by the purchaser.
